

Les Dames d'Escoffier

invites you to

The ZIP Codes of Our Food: A Quick History of Global Cuisine

CiCi Williamson, culinary historian and author, will lead you on a fascinating 2,000-year journey to see where food originated. Learn how food traveled around the world to create today's cuisines; and why ethnic cuisines are a hodgepodge of foods from continents other than their own. CiCi is a past president of Les Dames d'Escoffier International, the D.C. Chapter, and the Culinary Historians of Washington. She is the author of six books including *The Best of Virginia Farms Cookbook and Tourbook*. This presentation includes PowerPoint slides.

On this Martin Luther King holiday weekend, enjoy authentic Texas BBQ, sides, and desserts in a private room at the #1 Best Barbecue Joint in the D.C. Area as voted by *The Washington Post*.
